New Peach flights between KIX and Seoul (Gimpo)!

Kansai Airports is pleased to announce that Peach Aviation (MM) will commence new flights between Kansai International Airport (KIX) and Seoul's Gimpo International Airport (GMP) starting April 10, 2025.

Gimpo International Airport is renowned for its excellent access to central Seoul, providing quick and convenient access to various parts of the city. This new route is expected to serve a wide range of travelers, including those on business and leisure alike.

Kansai Airports Group remains committed to expanding its air network and enhancing the travel experiences for its customers. We strive to offer comfortable and enjoyable journeys while continuously improving convenience and connectivity.

Service start date

Thursday, April 10, 2025

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
