Passport Application Campaign to be Launched!

Kansai Airports is pleased to announce the launch of the "Passport Application Campaign" starting April 23, 2025.

This campaign aims to foster enthusiasm and make customers feel closer to international travel from Kansai International Airport (KIX) and Kobe Airport (KOB). During the campaign period, customers who obtain or renew their passports and travel abroad from the two airports will be eligible to participate in a lottery. 155 lucky winners will receive a QUO Card Pay worth 10,000 yen. We encourage you to take this opportunity to apply for a passport and go on an overseas trip.

Kansai Airports Group will continue to make various initiatives and disseminate information to increase interest in airports and travel among a broader customer base.

Campaign details

Overview: Customers who obtain or renew their passports and use international flights departing from KIX or KOB from Monday, March 24, to Sunday, August 31, 2025, may win a QUO Card Pay worth 10,000 yen.

Application period: Wednesday, April 23, to Sunday, August 31, 2025

How to apply: Please enter the required information on the dedicated application page and upload images of your passport and documents proving your travel from KIX or KOB, such as your boarding pass.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai Itami Airport ("KIX") and Osaka International Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since April 1, 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on April 1, 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
