“ULTRAMAN TO THE WORLD” at ITAMI Joint Campaign with Tsuburaya Productions

Kansai Airports is pleased to announce the launch of the "ULTRAMAN TO THE WORLD" campaign at Osaka Itami Airport (ITAMI) in collaboration with Tsuburaya Productions Co., Ltd. during the summer vacation period.

Throughout the campaign period, we will set up an Ultraman pop-up shop and themed cafe and host an Ultraman stamp rally in the passenger terminal building at ITAMI, along with a booth showcasing the unique charms of Fukushima Prefecture, which has a special connection to Ultraman. On Thursday 21 August and Friday 22 August, the photo sessions with Ultra Heroes and workshop events will be held, and visitors can enjoy taking photos with Ultra Heroes and creating their own original mini towels.

Kansai Airports Group will continue to strive to share the appeal of airports and the joy of travel with our customers through enjoyable initiatives.

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai International Airport ("KIX") and Osaka Itami Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
