Kobe Airport Run **Commemorative Event for the Launch of International Charter Flights**

Kansai Airports Kobe is pleased to announce the Kobe Airport Morning Run Event (Kobe Airport Run) on Saturday 30 August 2025 to commemorate the launch of international charter flights at Kobe Airport. This event allows participants to run along the taxiways and runway, starting from the Kobe Airport Terminal 2 building early in the morning before airport operations begin. It offers a rare opportunity to enjoy running in areas of the airport that are normally off-limits to the public. Kansai Airports Group will continue to strive to share the appeal of airports and the joy of travel with our customers through enjoyable initiatives.

Date: Saturday 30 August 2025, 5:00 to 5:40 (reception opens at 4:00)

Place: Kobe Airport Terminal 2 building and the restricted area

Joint organizer: Run Journey, Kobe Airport Utilization Promotion Council

Program: A 5 km run on the taxiways and runway before airport operations begin
(Time limit: 40 minutes)

Eligibility: 18 years and older

Capacity: Up to 200 participants (first-come, first-served)

Admission fee: 7,000 yen per person (tax included, insurance and other costs covered)

How to apply: Please fill out the entry form (via LINE) on the event page of Run Journey.

<https://run-journey.jp/kobeairportrun/>

Required information: Full name, address, age, phone number, and e-mail address

- Notes:
- Participants need to be able to travel to and from the airport on their own, such as by personal vehicle, as public transportation is not available in the early morning.
 - Parking is available at 150 yen per hour.
 - Participants will be asked to present identification (e.g., driver's license, student card) on the day of the event.
 - The event is subject to cancellation or change due to rough weather or other reasons related to the management or operation of other facilities. (The event will be held in light rain.)

Kansai Airports

pr@kansai-airports.co.jp

Kansai Airports was established by a consortium made up of VINCI Airports and ORIX Corporation as its core members. Kansai Airports took over the operations of Kansai Itami Airport ("KIX") and Osaka Itami Airport ("ITAMI") from New Kansai International Airport Company ("NKIAC") and has been operating the two airports since 1 April 2016.

Kansai Airports Kobe, Kansai Airports' wholly-owned subsidiary, took over the operations of Kobe Airport ("KOBE") from Kobe City and started its business as an operating company on 1 April 2018.

Under the concept of "One Kansai Airports Group", Kansai Airports group strives to continuously improve its services for all airport guests through appropriate investments and efficient operations, with safety and security being the top priority. Kansai Airports group aims to maximize the potential of the three airports, for the benefit of the communities they serve.
